

Petco Holiday CCI Schedule

PETCO TREE OF HOPE

Petco has invited us to participate in their Tree of Hope program to raise funds for CCI. The stores prefer that you be there between 12:00 and 2:00. If you need to come during a different time, please let me know. Please email heather@GoodDogSit.com to sign up for a shift. Some stores are more involved than others. Don't be surprised if they act as if they weren't expecting you. It may be that you need to take the lead once you get to the store. They usually have a place for you to sit or stand and your job is to answer questions about CCI and hand out brochures. It is also helpful if you hand out the Tree of Hope ornaments for people to purchase at the cash register. Please try to have two dogs and two people per shift (not many more than that otherwise you start to get in the way of customers shopping). If you don't have a dog, check with me and we will loan you one.
